EDUCATION

University of Alabama in Huntsville
Bachelor of Science, Computer Science
Minor in Mathematics

Aug 2024 – present, expected graduation 2027

GPA: 3.954

Courses

- Computer Architecture with ARM Assembly
- Data Structures with C++
- Analysis of Algorithms
- Calculus
- Linear Algebra
- Probability and Statistics
- Unix/Linux Programming with C and Perl
- Computer Graphics with OpenGL
- Object-Oriented Programming with Java
- Python, C++ Programming
- Technical Writing
- Discrete Mathematical Structures

PROJECTS

ACM Hackathon

Mar 2026

- Collaborated with a team to create **PARK**, a project that helps monitor parking availability across UAH
- Awarded Most Valuable Player, & placed 3rd for project impact, execution and presentation

Have-A-Byte

Mar 2026

- Wrote an **ARM assembly file** to simulate the operation of a vending machine
- Completed over the course of two days and finished with ASCII art and terminal eyecandy

EVMapper

Sep – Dec 2025

- Led a group of 4 students to create a **geographic elevation mapper** in Java
- Visualizes bathymetric GeoTIFF files as 2D maps, allowing the user to define the current sea level

LaTeX Guide

Jul 2025

- Composed a detailed **LaTeX guide** covering essential usage in Microsoft Word's Equation Editor

Transform Window

Jun 2025

- Developed an **AutoHotkey script** for Windows users to move and resize panes using keyboard shortcuts
- Authored a technical guide documenting complete functionality

SKILLS

Programming and Markup Languages

- **C** and **C++** for programs and quick tests
- **Python** and **Lua** for automation and visualization
- **JavaScript**, **HTML**, **CSS** for web projects
- **LaTeX** for note-taking, SymboLab, Desmos
- Git and GitHub
- Vim and Neovim
- Visual Studio Code
- Desmos (2D and 3D), SymboLab
- Paint.NET

Developer Tools and Environments

- WSL, Ubuntu, Debian, NixOS
- Terminal and shell usage (Bash, PowerShell, GDB)

Other Skills

- Technical writing and documentation
- Team collaboration and leadership
- Prototyping, debugging, troubleshooting
